

PARTNERSHIP PROGRAM PARTICIPATING SUPPLIERS 2023-24

SECRETS PLAYA BLANCA, OCT 2024

SECRETS®
Playa Blanca
COSTA MUJERES

New name, same great program! Start earning today!

www.pollock.com/partnership-program

Dear Valued Customer,

On behalf of everyone at Pollock Orora, it is with great pleasure that we announce the TENTH year of our customer loyalty program, the "Partnership Program" (formerly "President's Club"). This is a fantastic opportunity for you, our valued Customer and partner, to join us on an all-inclusive VIP trip for two to the brand new, luxurious Secrets Playa Blanca Costa Mujeres in Mexico.

Escape to a tropical paradise with powder white-sand beaches and sparkling turquoise sea. Secrets Playa Blanca Costa Mujeres offers a picturesque, romantic adults-only retreat perfectly situated on an idyllic strip along the stunning oceanfront coast just 20 minutes north of Cancun. All 507-luxury suites offer modern designs embellished with handmade art and furnishings for a truly authentic experience. Guests can relax in the expansive infinity pool while soaking in stunning views of the Caribbean Sea or experience a unique jungle-inspired pool surrounded by lush vegetation. Enjoy the

signature Unlimited-Luxury® inclusions with gourmet dining, Preferred Club status, top-shelf spirits and exciting live entertainment. *Will you be there?*

Pollock Orora and many of our best suppliers have joined to offer the 2023-24 Partnership Program, designed to showcase key performance-driving items and allow top-performing Customers to either earn or win the trip of a lifetime.

To get started, please take some time to familiarize yourself with the suppliers in this fully-interactive, promotional book. You will find the details of how the promotion works, and listings of supporting partners who's products qualify for extra "bonus points". Feel free to click around and explore the enclosed information to learn more about each supplier's products or services.

If you have any questions, please visit the Pollock Orora Partnership Program website or contact your Pollock Orora Sales Professional.

Thank you for your continued support and partnership, and I hope to see you in Mexico!

A handwritten signature in black ink, appearing to read 'C & K'.

Clay Kennedy
Regional Vice President
Pollock Orora / Orora Packaging Solutions

Workplace Solutions That Take You Places

2023-24 PARTNERSHIP PROGRAM GUIDELINES

All Pollock Orora Customers in good standing during the promotion (September 1, 2023 - June 30, 2024) and at the time of the trip are able to participate. Participants must have prior approval from their corporate office. All corporate offices that specifically prohibit their operations from being involved in promotional trips are excluded from this program.

Participants must be at 21 years of age or older and have a valid passport to travel.

Trips will be awarded to Customers for the time period beginning with invoiced purchases from September 1, 2023, through June 30, 2024. Only purchases of participating Supplier products or Supplier sustainable bonus products count towards achieving your growth goal and in earning points.

Here's how you can win!

Two factors determine winning:

1. Achieving your 2023-24 growth goal to become eligible to win
2. Being one of those within your group to have the most points

Existing Pollock Orora Customers: Customers are segmented into groups based on their 2022-23 purchases. Based on *your* 2022-23 purchases, we provide you a unique, 2023-24 growth goal. Upon achieving your growth goal, you are eligible to win the trip.

After becoming eligible, your total points then determine your ranking within your group for winning the trip. You earn points by purchasing *any* of the participating Suppliers' products, noted within.

- **Generally, every \$1.00 you spend on products earns you 1-3 points from participating Suppliers, and (NEW) select sustainable bonus products add an extra 3 points when purchased.**
- Accumulate points faster - The higher the level of Promoted Supplier listed in this catalog, the higher the "Bonus Points" their products earn you when purchased.
- All points are awarded based on purchases invoiced during the promotion period only. No exceptions.
- A 1099 for the taxable value of the trip will be issued the January following the trip to all attendees.

Be sure to review this catalog carefully for the promoted Suppliers that help you earn more points!

New Pollock Orora Customers:

(no purchases from us in the preceding 12 months)

You will be entered into a **sweepstakes drawing** after you have **purchased at least \$25,000.00** of participating Supplier products within the promotion period.

ALL Customers also earn a sweepstakes entry for every \$5,000.00 in equipment purchases.

Promoting Hand Hygiene

THE FIRST LINE OF DEFENSE

Practicing good hand hygiene is one of the most effective ways to reduce the number of germs that can cause illness – and providing hand soap and sanitizer in key locations makes it easy to promote good habits.

Proven, Trusted Products

The PURELL® brand is recognized for providing world-class solutions, which lets you take credit for all the things you do to maintain a clean, high-quality facility that prioritizes guest, customer, and employee well-being. PURELL hand soaps and sanitizers provide your facility with products that are effective and that they feel great about using.

To learn more, visit www.GOJO.com
for the full line of PURELL® products available.

HERITAGE™

DESIGN & PERFORMANCE

1200 Series Echo Wet Mops

These mops are produced using high quality P.E.T fibers from recycled bottles. Absorbs over 4.4 times its weight in water. Releases almost 30% upon wringing. Over 20% better performance than competitive all-synthetic wet mop yarns. Dries fast. Much longer lasting and lower linting than competitive yarns. Composed of 30% post consumer material and 67% post industrial material. Free from post recycling dyes.

echo
mop

700 Series Finish Wet Mops

- Blue striped designates mophead for finish applications
- Absorbs moisture well
- Good release
- Less lint, longer lasting, and faster drying
- 4-ply hygrade rayon
- Excellent for waxing

Edge Nonwoven Wet Mops

- Made from 100% post industrial material - from recycled rayon/synthetic nonwoven edge trim
- Will not unravel
- Less linting
- Requires no break-in time
- Ideal for wax stripping, disinfecting, quick spill pick-up and general purpose cleaning
- 70% greater absorption than cotton
- 68% greater liquid release
- More economical than cotton
- Immediate absorption
- Made in the USA
